Electronics Supply Company is committed to keeping the health and well-being of our customers and employees a top priority. In response to the COVID-19 pandemic and after careful consideration, we have decided it is time to temporarily close our showroom and counters to walk in traffic as of March 23rd, 2020 until further notice.

Throughout this temporary period, we will continue to provide outstanding customer service to our customers by being available over the phone or email and taking orders for pickup or delivery.

Our staff will be available from 7 AM to 5 PM via phone or email, Monday thru Friday to provide quotes, answer questions, provide solutions, and take phone orders. We will be providing curbside pick-up for your orders. When arriving at our building, please call **(816) 931-0250** and tell the person you are picking up an order curbside. Give them the name under which the order was placed. One of our staff will then bring your order out to you. We will be only accepting credit card or terms for payment. We prefer not to accept cash. We will also continue to offer delivery (minimum \$25 order) to our customers.

*Please call **(816) 931-0250** or email to [info@eskc.com](mailto:info@eskc.com)*
